3. Public Comment on Agenda Items
Manuel Cantu - On behalf of the Wonderful Company, I would like to once again express our support to LHUD in the process of the sewer relocation project with Caltrans, we don't support the loan with Caltrans since this would be a burden to the community, we recommend LHUD keep working with Caltrans to try to get them to cover the cost of the relocations.
Ana Lomeli- I would like to ask the Board to please consider we are a low income community, and cannot afford to pay higher rates if the District decides to take the loan to cover the sewer relocations project.
Saul Ruiz- Please consider everyone's comments, our community has been going thru rough times and cannot afford another high bill. He has contacted Supervisor Couch's office to get an appointment but has not heard back from them, and again is asking the Board to please make the best decision for the community and on behalf of Comite Lost Hills en Accion we will support the District's decision.
